Dear Mario,

Thank you so much for bringing the joy of music and ministry to the World Meeting of Families-2015 Philadelphia Youth Congress. The young people enjoyed the praise and worship and entertainment of the Bosco Boys and the Costa Crew! Their witness of faith was a great inspiration and made a huge impact on the young people and adults who were blessed to be with you.

You truly implanted the seed of love of the Lord, Jesus Christ. Many young people went home from this historical event singing and it is my hope that they will keep singing about Jesus forever!

May God bless you for your generous support,

Maria Carmel Richardson
