ARRAY OF HOPE concert an Exciting Opportunity for Youth & Families

Array of Hope delivers an opportunity for Catholic families to encounter Jesus Christ through Music, worship, and witness.

OLD TAPPAN, NJ (9/1/2022) – Array of Hope exists to reveal the “Truths of our Faith,” to help people “rediscover the joy and confidence of believing in the Triune God and to enthusiastically profess that faith as a true encounter and relationship with Jesus Christ.” (*Instrumentum Laboris*, #18).

The “Array of Hope,” concert event is a wide-ranging concert experience that features live musical performances, multimedia displays, motivational talks and thought-provoking film presentations that joyously provide a counterweight to the negative media surrounding today’s society. It especially celebrates an appreciation of the family.

The show’s key themes are the importance of God in the family and the loving support prayer can bring to the spiritual and emotional development of us and our children. This is a perfect family event. The show runs approximately 2 1/2 hours with an intermission.

The Array of Hope concert brings together personal faith stories from young adults, prayer experiences, exciting live musical performances, and live interaction with participants to provide a powerful, faith-building experience that helps people grow in their love of Jesus Christ.

“They present the Gospel in Technicolor,” as John Harper of “Morning Air” on Relevant Radio said. Even Gus Llyod host of “Seize the Day” on Sirius XM’s the Catholic Channel commented, “It’s a really exciting show!”

Array of Hope has been featured on EWTN, the Catholic Television Network, Shalom World, Catholic TV, Salt and Light Media and The NET. Array of Hope has been drawing thousands of youth and families to the Catholic Church by awakening their inner desire to seek a relationship with Christ and promoting the ideals of families. This unique Catholic ministry delivers the Gospel in a way that is relevant to our youth and families. Its ultimate mission is to form intentional disciples so that they too can share with others the truth instilled by Christ over 2000 years ago.
