Dear Array of Hope,

It was a true gift and blessing to celebrate life with you at OneLife LA! I extend my sincere gratitude to you for joining me and all our many participants. OneLife LA was made possible by your commitment of service.

Using your amazing talent, our audience was deeply engaged and enthusiastic, and I am grateful for your witness to the dignity of all human life. This year's event had overwhelmingly positive press coverage including Angelus News, EWTN, National Catholic Register, Relevant Radio, and local stations. It is my hope that more people will be motivated to join us in the future.

Our impact extends far beyond a one-day event. The fruits of OneLife LA will be that more people than ever are practicing works of love and mercy in their own communities by supporting pregnant women, helping families in need, providing homes for foster youth and services to the elderly, and finding positive solutions to homelessness, human trafficking, and poverty. Together, we are building up a culture of life in Southern California. Thank you again for being a part of OneLife LA!

May Jesus, through the intercession of Mary, grant you peace and joy,

+ José H. Gomez
