Attn: Mario Costabile

Dear Mario,

I write to express my sincere gratitude to you and the team at Array of Hope for coming to our parish for the three night encounter with Jesus in the Blessed Sacrament: BEHOLD. The nights that you spent with us were filled with God's grace as he poured out his love for us in the Eucharist, through the various talks given by Dr. David Hajduk and Fr. Luke Fletcher, as well as in the uplifting music by AOH music that were part of the program. Those nights were an opportunity for all of us not only to grow in our Catholic faith, but also to experience the intimacy and healing of Jesus in the Eucharist. I have heard positive feedback from many parishioners who commented that they had a deep encounter with Jesus over those three nights and were very grateful for the experience.

The team from Array of Hope conducted themselves in a very professional, respectful, reverent, and courteous manner when they visited St. Joseph's. They are passionate about our Catholic faith and genuinely desire to bring more people into a personal encounter with Jesus. I would happily recommend the BEHOLD experience by Array of Hope to any parish interested in going deeper into their participation in the Eucharistic Revival.

With Prayer and Thanks,

Rev. Christian G. Scalo
Administrator
St. Joseph RC Church Oradell/New Milford
